

22 GALLON OIL CHANGE STATION

This 22-gallon capacity drain is designed for the high-volume automotive service facility with features that make oil change service productive and profitable. This tank is virtually indestructible and the poly construction prevents accidental damage to vehicles.

Features include:

- 22-gallon high-impact polyethylene tank
- Built-in filter drain
- Molded tool pockets
- Pop-up fluid level indicator
- 3" access port
- Padded handle bars
- Convenient drain valve adapts to most quick disconnect couplers

**JDI-22DCAF
22-Gallon
Portable
Antifreeze Drain**

With the same features as the JDI-22DCX, this 22-Gallon Portable Antifreeze Drain is perfect for facilities that store large volumes of used antifreeze. This drain is molded in green polyethylene to prevent the mixing of fluids. Use with coolant or other fluid that need separate storage and disposal.
